# There is a powerful McCORMICK-DEERING TRACTOR to fit YOUR farm

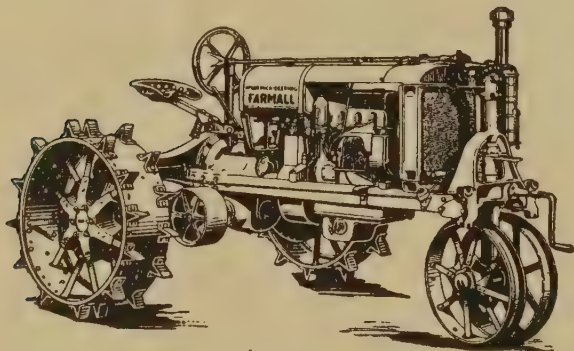

*McCormick-Deering 15-30 Tractor—the husky big brother of the 10-20.*

The Model T-20 TracTracTor is a specially designed crawler from the ground up. Its positive-gripping, light-treading tracks provide low-cost power for the difficult jobs in fields and orchards. The long ground contact of the crawlers convert an unusually high percentage of the vibration-free engine power into drawbar pull, on sand and loose soil as well as on hard ground.

*McCormick-Deering T-20 TracTracTor—a powerful crawler with unusual stamina.*

*McCormick-Deering Farmall—the original all-crop, all-purpose tractor.*

The original Farmall is a 2-plow, row-crop, all-purpose tractor. It is a most economical power unit for the average farm where row crops are grown. The 3-plow Farmall 30 meets the power needs of the larger farms, or on average farms where implements pull harder because of stubborn soils or hilly fields.

*We will gladly give you complete information about the McCormick-Deering Tractor best fitted to your needs.*

The McCormick-Deering line offers you a complete range of tractor and horse-drawn machines for all farming operations.

## You Can Cut Your Hauling Costs With INTERNATIONAL TRUCKS

**T**HROUGH their own experience, farmers, orchardists, and stock raisers have found International trucks best suited for their hauling needs. The all-around performance, speed and economy of Internationals have made them profitable everywhere. Today these rugged trucks are better than ever, and users say they are the best truck investment ever offered.

When investing in transportation units, there are three important factors that must be considered. Speed for the highways, power for hills and difficult places, and sturdy construction for thousands of profitable ton-miles of hauling.

Internationals are built to stay on the job all the time and are ready to go with whatever load you have.

They shorten the distance to market. They give many years of reliable work, and they are backed by a Company-owned service organization that is convenient to every point.

# **GRAND CHAMPIONS IN THE CARLOT DIVISION HAVE BEEN INSURED IN TRANSIT TO THE INTERNATIONAL FOR FIVE SUCCESSIVE YEARS**

---

A stockman has worries enough without being concerned with what may happen to his cattle after he has once loaded them in the cars.

Hundreds of wise shippers are letting the Hartford Fire Insurance Company do the worrying for them. They are paying a small premium and insuring the safe arrival of their cattle at the market. They know that if anything happens, they will be paid the market value of the cattle and paid promptly.

You can protect your shipments of valuable live stock enroute to market against transportation hazards that without insurance may result in heavy loss at a time when money is needed and needed badly.

# A QUICK SET MOTOR ... FOR HEAVY FARM JOBS

The feature that is making the Westinghouse farm motors so popular with farmers is the ease with which they may be set up. One man can easily handle any of these units because they are so well balanced. The wide-rimmed wheels make them easy to move and prevent their sinking into soft ground.

With a stake driven through the eye in the tongue, or with the end of the tongue braced against the driven machine, the unit will stay firmly in position. After tongue is secured the belt is put on, and tightened by means of a ratchet device which extends or pulls in the movable end of the telescoping tongue until the proper belt tension is obtained. If, after the motor is started, it is found that the belt is too loose or too tight, it can be adjusted without having to stop the motor. This is another very valuable time-saving feature.

The design of the Westinghouse farm motor has been made as simple as possible to insure years of dependable service.

**THIS MOTOR . . .**

**The Chicago Association of Commerce**, 1 North LaSalle Street, telephone Franklin 7700, will also maintain a Rooming Bureau to assist "Stock Show" visitors to find comfortable quarters.

### **BANKS**

The Stock Yards National Bank and the Drovers National Bank will have representatives at the Exposition to care for all legitimate needs of properly identified visitors and exhibitors.

### **TELEGRAPH OFFICE**

Telegraph companies will have branch offices at the Exposition.

### **TELEPHONE STATIONS**

There will be public Telephone Stations at the Exposition.

### **UNITED STATES CUSTOMS**

Exhibits from Canada or any other foreign country will be admitted in bond with no charge for import duties if exported within six months from date of importation.

All exhibits from Canada or other foreign countries of any nature whatsoever, shipped by freight or express, may be consigned to any Custom House Broker or Forwarding Agent located in Chicago, who will, at reasonable cost, attend to entering the same in bond.

Foreign exhibitors are advised that bonds are required on entry of exhibits into the United States. The bond will be cancelled if the exhibit is exported under customs supervision within six months from date of importation.

Paragraph 1607 of the Tariff Act of June 17, 1930, reads in part as follows:

"Animals brought into the United States temporarily for a period not exceeding six months, for the purpose of breeding, exhibition, or competition for prizes offered by agricultural, polo, or racing association \* \* " are admitted free of duty, but a bond must be given for the exportation of the animals within six months from the date of importation. The penalty of such bond is a sum equivalent to double the estimated duties.

In case of animals imported under Paragraph 1607 it must be shown to the satisfaction of the Collector at the port of entry that the animals are imported for the purposes mentioned in the law, and if imported for exhibition or competition, that the association is one open generally to the public. Animals imported for training for a subsequent racing exhibition are within the law. Animals for breeding purposes may be brought in by individuals.

The consular invoice must describe the animals and set forth the value thereof. This provision includes sulkies, carts and other vehicles, equipment, harness, etc.

In the case of death of animals imported for the said purpose, while in the United States under bond, through accident or other casualty, and in the case of articles imported which shall be totally destroyed by fire, accident, or other casualty while in this country under bond, application for the cancellation of the bonds covering the same may be made to the Bureau of Customs, Treasury Department, Washington, D. C. Such application should be accompanied by affidavit of the importer and others having knowledge of the fact, setting out the circumstances of the death of the animals or the destruction of the articles.

Parties who accompany their consignments will find the Government Customs officials courteous and accommodating, and by extending to them the same fair treatment consignors will have no very great difficulty in personally supervising the passage of their exhibits through the customs at the frontier. Railway companies also have special customs agents at ports of entry, who cheerfully assist shippers. Consignments may be shipped to the "customs agent" (of the railway transporting exhibit) at the port shipment is destined to enter the United States, which agent will attend to entering the same as shipper's broker. The names of such agents, terms, etc., will be furnished by local railway agents.

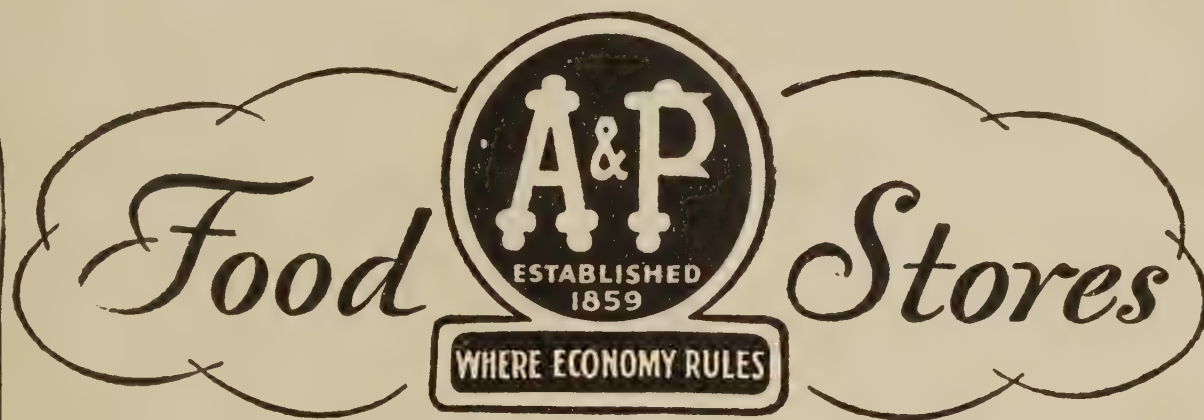

The law requires that all cattle, hogs and sheep imported into the United States shall be accompanied by the required veterinarian certificates and be carefully inspected by the Veterinary Inspector of the Bureau of Animal Industry; and animals found to be free from disease and not to have been exposed to contagious disease, will be admitted into the United States on complying with the other customs regulations.

free of duty under the provisions of Paragraph 1606 of the Tariff Act of June 17, 1930, which reads in part as follows:

"Any animal imported by a citizen of the United States, specially for breeding purposes, shall be admitted free, whether intended to be used by the importer himself or for sale for such purposes. \* \* \* Provided, that no such animal shall be admitted free unless pure bred or of a recognized breed, and duly registered in a book of record recognized by the Secretary of Agriculture, for that breed: and Provided Further, that the certificate of such record and pedigree of such animal shall be produced and submitted to the Department of Agriculture, duly authenticated by the proper custodian of such book or record, together with an affidavit of the owner, agent, or importer, that the animal imported is the identical animal described in said certificate of record and pedigree. \* \* \*"

"And Provided Further, that the collectors of customs shall require a certificate from the Department of Agriculture stating that such animal is pure bred of a recognized breed and duly registered in a book of record recognized by the Secretary of Agriculture for that breed."

Certificates of pedigree and evidence of transfer of ownership must be furnished inspectors of the Bureau of Animal Industry at the port of first arrival in time to permit their use in connection with the examination of the animals by such inspectors at that port, and unless so produced the animal shall be considered dutiable and the Department of Agriculture will not issue the certificate of pure breeding.

As certificates of pure breeding are not issued by the Department of Agriculture until the description of the animals based on the examination thereof and comparison with the pedigree certificates by the inspector of the Bureau of Animal Industry is received at the Department of Agriculture, the importer may give a bond for the production of the certificate of pure breeding, or he may deposit estimated duties and within ten days after date of entry file a written stipulation with the collector to produce the certificate of pure breeding within six months from the date of entry, whereupon the liquidation of the entry will be suspended. Upon production of the certificate the duties deposited will be refunded.

The Bureau of Animal Industry's regulations governing the recognition of breeds and purebred animals (B. A. I. Order No. 325) can be obtained from the Superintendent of Documents, Washington, D. C., for 5c per copy.

Articles 469 to 471 of the Customs Regulations of 1931 cover the importation of animals for breeding purposes.

## GENERAL RULES AND REGULATIONS

Exhibitors are requested to familiarize themselves with all the rules of this Exposition in Classes and Departments applicable to their Exhibits.

### IMPORTANT RULE

Any protest as to eligibility on account of age of animals entered in the fat classes of the Exposition must be filed with the General Superintendent prior to the day on which they are to be judged. Information concerning the class in which any animal or carload is entered can be had at the general office of the Exposition. Specifications showing ages of cattle by dentition is given hereunder for the benefit of exhibitors.

Specifications showing teeth of cattle at ages described,  
which is adopted as a basis for determining ages of cattle.

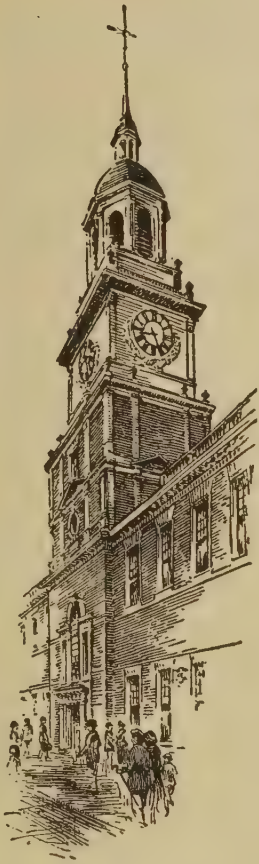

**Twelve Months**—An animal of this age shall have all its milk (calf) incisor teeth in place.

**Fifteen Months**—At this age center pair of incisor milk teeth may be replaced by a center pair of permanent incisors (pinchers), the latter teeth being through the gums but not yet in wear.

**Eighteen Months**—The middle pair of permanent incisors at this age should be fully up and in wear, but next pair (first intermediate) not yet cut through gums.

**Twenty-four Months**—The mouth of this age will show two middle permanent (broad) incisors fully up and in wear, and next pair (first intermediate) well up but not in wear.

**Thirty Months**—The mouth at this age may show six broad permanent in-

cisors, the middle and the first intermediate pairs fully up and in wear, and the next pair (second intermediate) well up but not in wear.

**Thirty-six Months**—Three pairs of broad teeth should be fully up and in wear, and the corner milk teeth may be shed or shedding, with the corner permanent teeth just appearing through the gums.

**Thirty-nine Months**—Three pairs of broad teeth will be fully up and in wear, and the corner teeth (incisors) through gums but not in wear.

**Violation of Rules.** RULE 1. An exhibitor who violates any of the following rules will forfeit all privileges and premiums and be subject to such penalty as the Executive Committee may order.

**Liability.** RULE 2. All exhibits will be under the control and direction of the Manager, but the Exposition will in no case be responsible for any loss or damage that may occur. Each exhibitor will be solely responsible for any consequential or other loss, injury or damage done to, or occasioned by, or arising from, any animal or article exhibited by him, and for its description as given in the catalogue, and shall indemnify the Exposition against all legal or other proceedings in regard thereto.

**Interpretation.** RULE 3. This Exposition reserves to its Executive Committee the final and absolute right to interpret these rules and regulations, and arbitrarily settle and determine all matters, questions or differences in regard thereto, or otherwise arising out of, or connected with, or incident to, the Exposition.

**Amending Rules.** RULE 4. The Exposition reserves the right to amend or add to these rules as the Executive Committee in its judgment may determine.

## ENTRIES

**Application for Entry.** RULE 5. All applications for entries must be made out on printed forms and in accordance with instructions on same, giving class, number, age, record number, and all other necessary information. These forms, after being signed by the exhibitor, are to be filed in the office of the Secretary of the Exposition on or before November 1st (see rule governing entry of steers). This applies to all entries except carloads, which must be entered on or before November 19th. In all cases the right is reserved to reject entirely or accept conditionally any entry or application.

**Entry Fee.** RULE 6. An entry fee of \$3 per head will be charged on cattle and horses and 50c per head on sheep and swine, which **must accompany entries**. This money will, however, be applied on stall rent or pen fees when exhibit is brought on, but retained if the exhibitor fails to bring his animals.

**Ownership of Animals.** RULE 7. To be eligible for competition, whether singly or in groups, animals must be the bona fide property of exhibitors, and all animals entered for competition, except where otherwise specified, must be owned by exhibitor at the time of making entry, except the animals in carload lots (see rules governing carload entries), and registry certificate of ownership or transfer must be produced, if required, showing the exhibitor to be the owner. In the classes of "Get of Sire" and "Produce of Dam" ownership shall not be required. Animals to compose a competitive group need not be named in application for entry, but must be selected by exhibitor.

**Firms and Co-Partnerships.** RULE 8. Firms and co-partnerships entering animals for competition must be in existence at the time of making entry, and in all cases must be bona fide, and affidavits of the age of firms may be required by the management.

**Eligibility for Competition.** RULE 9. An animal can compete in more than one class, and for any and every purse in sweepstakes groups or specials to which they are eligible under the classification. The rules are so arranged as to enable every exhibitor to easily determine in which classes his exhibits are eligible.

**Catalogue Numbers.** RULE 10. All entries will be inserted in the annual catalogue, and exhibitors on their arrival at the Exposition will receive, on application to their respective association secretaries, tags with duplicate numbers to correspond with the catalogue number, which must be fastened in the most conspicuous part of the stalls, pens or place where exhibit is shown.

**Sales.** RULE 11. If it is desired, the exhibitor may state in the entry the price for which he will sell his animal. This price shall be inserted in the catalogue, but all sales will be between the owner, or his representative, and the purchaser. The Exposition will not assume any responsibility.

**Substitution.** RULE 12. No person having entered anything for competition will be allowed to make substitution of animals or otherwise change the entry after ten days prior to the opening of the Exposition, except as noted in rule 13, nor may any one refuse any premiums awarded and the prize ribbons and commendation cards must be displayed during the Exposition.

**Erroneous Entry.** RULE 13. Exhibits that have been erroneously entered may, in the discretion of the Manager, be transferred to their proper classes previous to the judging. If such classes have been judged they shall not be reopened.

## EXHIBITORS

**Arrival of Animals.** RULE 14. All articles and animals for exhibition, except car lots of fat stock (see Special Rule), must be in their places, with all rubbish and waste cleared away at 9 a. m. of the opening day of the Exposition, and entered in the name of the real owner, to remain on the grounds to the close of the Exposition. Any violation of this rule will cause a forfeiture of all premiums earned by the exhibitors.

**Care of Animals.** RULE 15. After having properly entered their animals, exhibitors must themselves see to their delivery to the Steward of the appropriate department, so that their exhibits may be in their places, properly ticketed and ready for competition, on the opening day of the Show before the work of judging begins. They are likewise required to attend to their articles or animals while on exhibition, and answer such questions as the judge may deem essential to a correct estimate of their relative value.

**Use of Blankets.** RULE 16. Exhibitors are prohibited from using blankets or covers on their stock between the hours of 7 a. m. and 11 p. m. each day of the Exposition, except in the carload lots, where the hours will be from 9 a.m. to 4 p.m.

**Decorating Exhibits.** RULE 17. Exhibitors of live stock are requested to decorate their quarters as tastily as possible, and must keep that part of the building occupied by them neat and attractive in appearance. This will prove a strong factor in impressing each individual exhibit upon the minds of the visitors and buyers.

**Uniforms.** RULE 18. No attendant or other person leading animals will be allowed to enter arena unless properly uniformed. The official herdsman's uniform can be secured from GEO. LAUTERER, 222 W. MADISON ST., CHICAGO, at the nominal cost of \$5.00 per uniform. These suits are so made that they can be used on the farm after they have served their purpose at the Show.

**Evening Shows.** RULE 19. A great educational feature of this Exposition is its evening shows and parades of approved live stock by breeds and ages. Notice of time and places of parades will be announced by bulletins and stewards.

**Refusal to Parade.** EXHIBITORS REFUSING FOR ANY CAUSE NOT MEETING WITH THE APPROVAL OF THE MANAGEMENT TO LEAD OUT THEIR ANIMALS FOR PARADE OR FOR COMPETITION IN THE SHOW RING WHEN CALLED BY THE STEWARDS IN CHARGE, WILL NOT ONLY FORFEIT ALL PRIZES PREVIOUSLY WON, BUT BE DEBARRED FROM FURTHER PARTICIPATION IN THE SHOW AND REQUIRED TO REMOVE THEIR STOCK FROM THE SHOW GROUNDS WITHIN SIX HOURS AFTER SUCH REFUSAL. The Executive Committee may further impose such additional penalty as in its judgment the case deserves.

**Arena Privileges.** RULE 20. No person other than those holding animals being exhibited will be allowed in the show ring during the time of judging, except the Judges and officially accredited ring stewards. This rule will be rigidly enforced.

**Catalogue of Exhibit.** RULE 21. No animal shall be considered by Awarding Committee whose attendant is not wearing tag during competition. This tag will show the number, age and official weight of competing animal.

**Removal Number.** RULE 22. An exhibitor wishing to remove an exhibit for the night must apply to the Manager; and, if there appears to be good reason for the removal, it may be effected by leaving a suitable deposit and receiving an official pass, the time of leaving and that of returning to be inserted thereon; and, if the exhibit be not duly returned, the deposit will be forfeited to the Exposition.

**Delivery of Animals, Placards.** RULE 23. Exhibitors will not be allowed

to deliver animals or articles during the Exposition without special permission (though they may receive and book orders), nor will they be permitted to call attention to their wares in any noisy manner, and only such signs and placards may be used as the Manager shall approve and allow.

**Conduct.** RULE 24. Any false representation, interference or ungentlemanly conduct on the part of an exhibitor will be dealt with by the Executive Committee according to the equities of the case.

**Protests.** RULE 25. All protests must be in writing and accompanied by a deposit of \$20, which will be forfeited if protest is not sustained. Such protest must state plainly the cause of complaint, or appeal, and must be delivered to the Manager within six hours after the occasion for such protest, or in the Fat Classes, if age is brought into question, on the day prior to the one on which the animals are to be judged.

**Appeals.** RULE 26. No appeal of, or appeal from an award based upon a statement that the Judge or Judges have overlooked an animal or article will be considered by the Executive Committee.

**Points Considered.** RULE 27. The primary object of this Exposition is to encourage the breeding and feeding of improved breeds of live stock for well-defined, practical purposes. Regard will be had to symmetry, size, form, action, constitution, vigor and general characteristics of the various breeds, with reasonable allowances for age, but due regard will also be paid to heads, and that graceful carriage, style and general refinement that denotes breed, character—points which, while not weighing on the "scale," add value to animals when being sold for breeding purposes. And, in groups, encouragement will be given to uniformity of breed type.

**Barren Animals.** RULE 28. The Exposition debar and will to the utmost of its power discourage and prohibit the exhibition of barren animals in the breeding classes.

**Obesity and Leanness.** RULE 29. The Exposition reserves the right to discriminate against both excessive obesity, which cannot be a profitable condition for breeding animals, and excessive leanness, in which condition animals are unfit for exhibition.

**Mouth Plates.** RULE 30. For the purpose of determining the age of cattle shown in this exhibition, the official plates of mouths, shown in catalogue, will be considered as normal mouths. Where the mouths of animals exhibited in the cattle divisions do not conform to these plates, satisfactory evidence of the age of the animals must be produced by the exhibitor, and in case of protest in the breeding cattle division the same rule shall apply.

**Official Veterinarian.** RULE 31. The Manager will appoint veterinary surgeons and such other assistants as may be necessary. The veterinary surgeon shall cause all animals to be examined before their admission to the grounds, as a safeguard against infectious or contagious diseases, and shall make inspection of the grounds, stables, stalls and pens and make report in writing to the Manager of the condition in which said grounds, stables, stalls and pens are kept. In case of sickness of any animal the same shall be removed when ordered by the Manager to a separate inclosure, where the exhibitor may either direct treatment of the animal himself, or employ a veterinary surgeon appointed for that purpose, for whose services and other necessary expenses incurred a reasonable charge will be made by the Exposition. The right is reserved to the Manager to order the preemptory removal from the grounds of any animal to which this rule applies.

## JUDGES

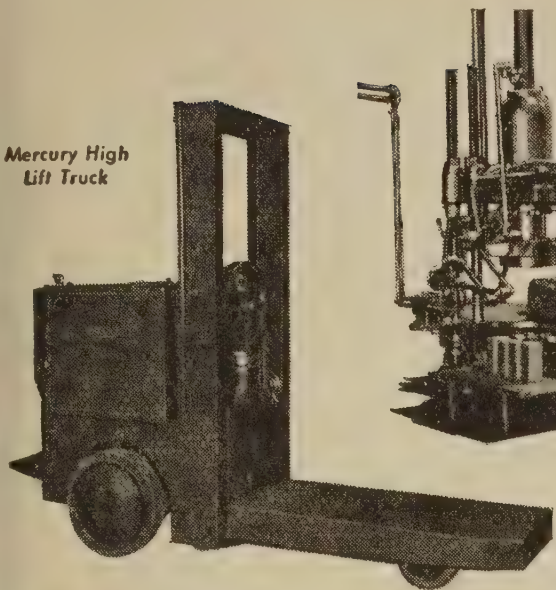

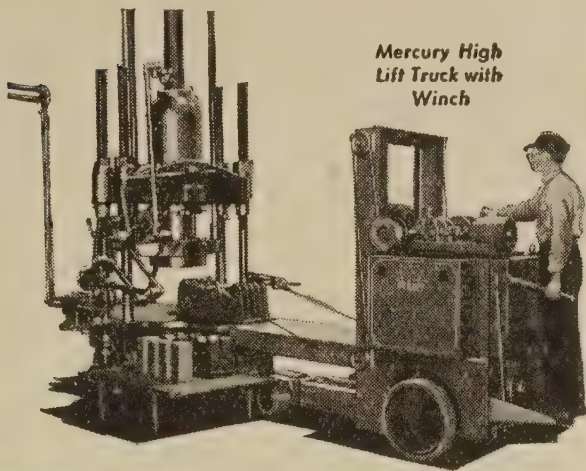

**Note.** Judges are earnestly requested to familiarize themselves with all the rules and regulations of this Exposition, and to especially mark those rules bearing on the classes to be adjudicated by them. Ignorance of the rules is inexcusable in a judge.

**Selection of Judges.** RULE 32. The single judge system is the policy of this Exposition, and, in every case, the judge is selected with the utmost care, and, as far as possible, will be of national reputation.

**Time of judging.** RULE 33. The time at which the judges will pass upon the different classes is announced in the catalogue, and will be on bulletin boards conspicuously posted. **Any exhibit not presented promptly on schedule time will be ruled out and debarred from competition in the class called.**

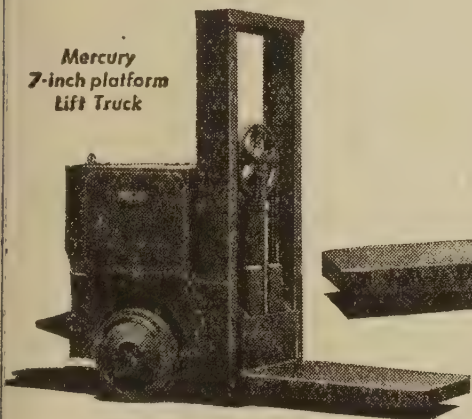

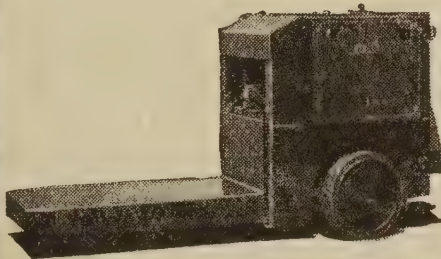

**Method of Awarding.** RULE 34. No animal will be awarded a prize unless removed from its stall or pen and exhibited with catalogue number attached before the judge in the show ring.

**Unworthy Exhibits.** RULE 35. Judges must not award a prize to an unworthy exhibit. It is the intention of the Exposition that no premium or distinction of any kind shall be given any animal or article that is not deserving. Judges are also requested to discriminate against animals upon which a surgical operation has been performed to improve their "show" appearance. These rules must be strictly adhered to, whether there is competition or not.

**Awarding Champion Prizes.** RULE 36. All first and second prize winners are eligible to compete for championship honors; but no second prize animal shall be eligible to rank higher than "Reserve" in any champion class.

**Competition.** RULE 37. Where there is no competition, the first prize, on merit, will be awarded. Where there is competition, all prizes may be awarded. Where there are fewer entries in class than number of premiums offered, judges may, in their discretion, award a prize or prizes of such grade as the animal or article deserves.

**Interference with Judges.** RULE 38. If any exhibitor in any way, whether in person or by agent or servants, interferences with the judges during their adjudication, or shows any disrespect to them, or the Exposition, the division superintendent shall, at his discretion, demand a proper apology from such exhibitor, or he may exclude him from competition and from the ring and may also withhold from such exhibitor any premiums that may have been awarded.

**Decision of Judges.** RULE 39. The decision of the Judges shall be final in all cases, except where mistake, fraud, misrepresentation or collusion, not discovered at the time of the award, is proven. In such cases the Manager, or such referee as he may appoint, may make decision, or with his approval, the case may be appealed to the Executive Committee, from whose decision there can be no appeal.

**Animals Disqualified.** RULE 40. Should any animal awarded a cash prize be disqualified the animals gaining the lower prizes shall graduate up into the higher positions next in order above them if in the opinion of the judge these animals are worthy of such prizes.

### PREMIUMS

**Ribbons.** RULE 41. Premiums will be designated by ribbons: Blue, first; red, second; white, third; pink, fourth; yellow, fifth; green, sixth. Championships, royal purple. Special ribbons or card will be given to "highly commended," "commended" and "reserve" animals. To add to the value of awards all ribbons will be copyrighted.

**Exhibiting Premiums.** RULE 42. Exhibitors will be allowed to display prize ribbons, medals, certificates of award, etc., at their own quarters, during the entire Exposition, subject to the approval of Manager.

**Paying Awards.** RULE 43. (a) Cash premiums are payable by bank check (except, when, at the request of the exhibitor, a cup, diploma or medal is granted in lieu of cash). (b) The Exposition bank check will be drawn by the treasurer upon presentation of transcript of premiums awarded, duly signed by the Manager and indorsed as "correct" by exhibitor. (c) These checks in payment of premiums are payable "to order," and must be indorsed by those in whose favor they are drawn, and thereupon can be cashed by the treasurer or at any bank where endorser is identified. (d) Special premiums will be paid by those offering them, on an order from the Manager. (e) All orders, cups, diplomas, medals and certificates will be delivered at the general office of the Exposition, or forwarded to the exhibitors, as they may direct, as soon after the close of the Exposition as they can be properly engrossed and engraved. (f) All premiums whatsoever not claimed by exhibitors before January 1 of the following year shall be deemed forfeited to the Exposition or donors. (g) The Exposition reserves the right to withhold premiums awarded in every case in which it shall appear to the Executive Committee that the regulations have not been complied with, or that fraud or deception has been practiced or attempted.

**Eligibility of Animals.** RULE 44. All animals in the breeding classes must be recorded or accepted for record in the recognized books of record for their respective breeds, as shown herewith, and exhibitors must produce certificates of register at the request of the Manager any time during the Exposition. Only the following records will be recognized:

## MEN BEHIND THE HERDS AND FLOCKS

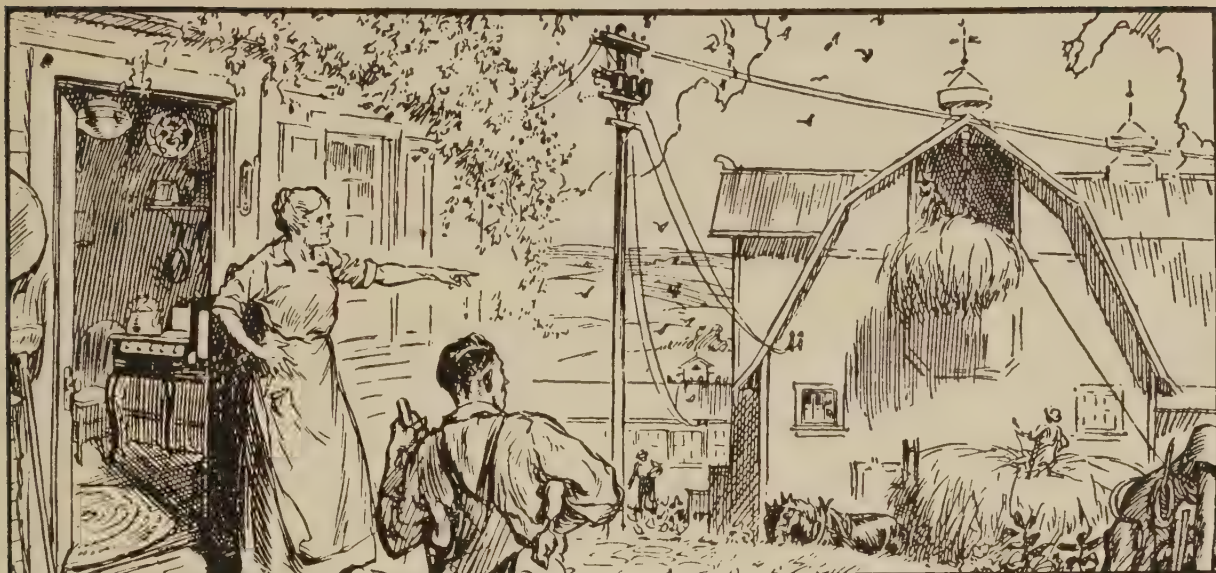

Recognizing the superior skill, fine judgment and faithful devotion to duty on the part of the herdsman, shepherds and grooms in preparing the splendid specimens of animal excellence displayed annually at the International Live Stock Exposition, the management has decided to establish a series of competitive awards each year in the shape of medals, to be worn as honorary distinctions by these men in each of the various divisions.

The medals to be won comprise the following:

- To the herdsman fitting the grand champion steer of the show.
- To the herdsman fitting the grand champion carload of beef cattle.
- To the herdsman fitting respectively the grand champion bull of each of the six breeds of cattle.
- To the shepherd fitting the grand champion wether of the show.
- To the shepherd fitting the grand champion carload of sheep.
- To the herdsman fitting the grand champion pen of barrows.
- To the herdsman fitting the grand champion carload of hogs.
- To the groom of each draft breed representing the stable winning the highest score, arrived at as follows: Champion 15, reserve champion 12, first 10, second 8, third 6, fourth 4, and fifth 2 points.

The conditions of these awards shall be (1) that the animal or animals winning the championships named shall have been under continuous, immediate and personal charge or care of the herdsman, shepherd or groom for a period of at least six months preceding the opening day of the show; (2) that, except for unavoidable sickness or other excusable absence, the animal or animals shall be led into the ring or exhibited to the judges by such herdsman, shepherd or groom, as the case may be.

The purpose of awarding this series of valuable and beautiful medals is to show appreciation on the part of the management of the large share of credit due these faithful men for the excellence of the yearly exhibits at the "International," and to offer added incentive and a further reward for the intelligent thought and painstaking care by which they have sought to improve the breeds to which they are devoted.

## SUPPLYING ELECTRIC SERVICE TO 8,304 NORTHERN ILLINOIS FARMS

Electricity is working hard on northern Illinois farms—lighting farm homes, cooking meals, preserving food, washing clothes. It is also doing many of the heavy farm chores like pumping water, grinding grain, milking cows. This Company's rural cooperative program has increased the number of electrified farms in its territory over 200% during the last five years.

# CATTLE DEPARTMENT

## BREEDING CATTLE DIVISION

### ENTRIES IN INDIVIDUAL CLASSES CLOSE NOVEMBER 1.

 All breeding cattle exhibited at International must have been tested for tuberculosis within six months prior to opening date of Exposition and show clean bill of health.

**Entry Fees.** RULE 45. An entry fee of \$3.00 per animal will be assessed, which must accompany the application for entry. This money, however, will be applied on the stall rent (\$3.00 when occupying single stall and \$5.00 for double stall), but retained by the Exposition in event the exhibitor fails to bring his animals.

**Bulls.** RULE 46. A bull over one year old without a ring in his nose may be excluded from the Exposition, in the discretion of the Management.

**Eligibility of Cows.** RULE 47. Accompanying each entry of cows three years old or over in any of the breeding classes an affidavit is required at time entry is made giving date of birth or her last calf or the time she is due to calve, and such cows must have produced a living calf since September 1 of the year previous or show satisfactory evidence of being in calf. Where objection is made (and sustained by the Executive Committee) as to a cow's eligibility under this rule, any premium awarded to such cow shall be withheld until said cow shall have produced a calf on or before March 1, following the Exposition.

**Eligibility of Bulls.** RULE 48. Any bull over thirty-six months old entered in any of the breeding classes, that has not had dropped to his services a living calf during the eight months preceding the opening day of the Exposition, shall be deemed barren, and as such shall be excluded from the competition. Certificates from the exhibitor, properly attested, will be required by the Management.

**Breeding Cattle:** RULE 49. Judges are instructed to award prizes for breeding cattle in the order in which they, as buyers, would make selection therefrom for breeding purposes; due consideration being given to the accepted maxim of breeding, that "like produces like," and to the doubtful utility for breeding purposes of over-fat animals, not considering color or pedigree.

**Tampering and Misrepresentation.** RULE 50. Any artificial means of removing or remedying the physical defects or conformation in exhibition cattle, such as cutting ties or lifting and filling under the skin will be considered as fraud and deception. All animals giving evidence of such treatment will be barred from competition at the International Live Stock Exposition. Misrepresentation of the age of an animal will be considered in the same light.

In the steer classes the regulations will be in full force and effect, but a tie shall not be regarded as a defect unless it is of such nature as to mar or injure what would otherwise be a prime carcass.

In the breeding cattle, these regulations will apply on all classes, except that the penalty relating to ties of the skin on the back (forward of the hips), cut prior to January 1, 1930, will be waived for the 1932 Exposition. However, animals that are seriously scarred or disfigured will be regarded as defective and the judge may, at his discretion, bar them from consideration.

When satisfactory evidence has been obtained by the International management that this rule has been violated, the exhibitor, his herdsman, his manager, or all of them, may be barred from showing in any classes in the International Live Stock Exposition and reinstatement may be made only by a majority vote of its Board of Directors. In case any premium shall have been awarded to animals shown in violation of this rule, the International management will immediately request the exhibitor to refund all premiums, moneys, cups, trophies, and ribbons awarded under such violation.

**Nurse Cows.** RULE 51. Use of nurse cows will be permitted only for junior calves and will be limited to one cow for each calf.

# Fine Tributes to 4-H Clubs

The awards of this year's International Live Stock Exposition to youthful exhibitors who belong to 4-H Clubs throughout the country, like those of all recent years, are a splendid tribute to the success these young people of our farms are having in learning to farm better than it has ever been done before. At the rate they are progressing, they themselves will, ere long, solve all the difficult farm problems that now concern us. They arouse great hopes.

A very attractive four page four color tribute to the 4-H Clubs of America is now being prepared by The Lehon Company of Chicago, manufacturers of Mule-Hide Roofing and insulating products. It will be distributed in April. It will interest you and you should be sure to have a copy. The first time you see your local Mule-Hide Lumber Dealer, you can mention it to him and he can put your name on his list to get a free copy. It will be one of the best tributes ever paid to this outstanding organization. Your Mule-Hide dealer knows how to get it.

If you need to fix a roof on any sort of a building on your farm, however large or however small, your dealer can furnish you the ideal material from his Mule-Hide stock. It will be to your advantage to see him before you act.

*E*conomical production of printing is best achieved in those plants equipped to handle each operation—Composition, Black and Color Presswork, Binding and Mailing—without “farming out” any portion of the work. We complete orders in our own workrooms, and our prices are evidence of efficiency

**THOS. E. WILSON SPECIAL**

A special prize of \$1,000 is offered by Thomas E. Wilson, owner of Edellyn Farm, Wilson, Illinois, for the best two head (bull and female) of Shorthorns, bred and owned by exhibitor, shown at the International Exposition. This money has been placed in trust and will be paid to exhibitor who wins the honor three times (not necessarily in succession). A plaque, to be placed in the Saddle and Sirloin Club, will have the name of the winner each year engraved upon it.

**SHORTHORN SOCIETY OF GREAT BRITAIN AND IRELAND SPECIAL**

The Shorthorn Society of Great Britain and Ireland offers a gold medal for the best Shorthorn bull exhibited at the 1932 "International."

# FAT CATTLE DIVISION

**Nurse Cows:** RULE 51. Use of nurse cows will be permitted only for junior and senior calves in both the breeding and fat divisions.

**Advice to Judges:** RULE 52. Judges are instructed to prefer the highest degree of excellence obtainable, considering form, finish, quantity and quality of flesh and fat, and weight; to recognize the very highest quality of prime edible meat, and to object to the production of superfluous tallow; qualities that are indicated to the touch, to the end that animals that win prizes on foot shall ultimately be proved first quality of beef.

**Disposition of Animals:** RULE 53. All compulsory slaughter tests have been abolished. Entries for slaughter test must be made prior to November 1 and all steers entered in slaughter contest must be designated by name at time of entry.

**Statement of Feeds:** RULE 54. Exhibitors will be required to furnish a statement of the feeds and methods of feeding employed by them in the production of their exhibits. Such statements shall be used for publication in newspapers and in the Exposition's Annual Report—or otherwise, as may in the discretion of the management be deemed best to promote the education of those interested. Blank forms of these statements will be supplied by the General Superintendent.

**Duplicate Ribbons:** Note.—As there has been considerable rivalry between the exhibitor and the purchaser for the possession of the first and championship ribbons, the management has decided to duplicate these throughout the fat cattle classes.

## CLASS 155

### GEORGE W. BORG SPECIALS

The American Shorthorn Breeders' Association offers on behalf of George W. Borg, Borg Farms, Delavan, Wisconsin, \$250.00 on steers of **MILKING SHORTHORN** breeding, out of Record of Merit dams. Entries must be made in the regular Shorthorn steer classes, but special arrangements will be made for their showing. At least eight steers must enter and show in order for the full amount to be drawn. If the number is less, the amount offered will be scaled down proportionately. Number of prizes and their money value will be announced after entries are filed with the International Live Stock Exposition.

## SLAUGHTER TESTS

**Method of Handling Contest:** Note.—Every available improved method will be used by the Exposition management to secure the humane slaughter of animals, and the best possible condition for the resulting dressed carcasses. To this end the facilities offered by some of the great packing house establishments will be used, and carcass prizes will be awarded in their cooling rooms.

**Delivery of Animals Entered for Slaughter:** RULE 57. Exhibitors of animals entered for slaughter in the dressed carcass competition must, when requested, deliver said animals into the charge of the General Superintendent, who shall direct their care, food and shrinkage, in accordance with the requirements of the case. Interference on the part of the exhibitor with animals thus delivered will be summarily dealt with.

**Instructions to Judges:** RULE 58. Judges of fat carcasses in competition are instructed to prefer the attractiveness of carcass, percentage of high class meat to total carcass, quantity and quality of flesh and fat. Judges of the dressed carcass classes (cattle, sheep and swine), are furthermore required to make their short leet of six carcasses first and then cut half of these six carcasses into market cuts before making a final decision.

**Labeling Carcasses:** RULE 59. Carcasses are not to be labeled as to percentage of dressed weight, etc., until after they have been judged.

**Judging on Hoof:** Note.—In order to further increase the educational value of the Slaughter Test, the following classes provide for the judging of animals entered for slaughter, to be judged on hoof as well as in carcass; and any animal which is too unruly to be properly handled and examined may be barred from competition by the judge.

Animals entered in the Carcass classes (189 and 190) must be shown in their respective On-Hoof classes (186 and 187). They are also eligible for entry in their proper open classes, if desired.

## 1931 "Review and Album" 1931

Copies of the 1931 "Review and Album" are still available and can be secured by sending \$1.00 to the International office. These books contain every award at the 1931 show, pictures of the champions, judges, list of exhibitors, department reviews, etc. One of these attractive cloth-bound books should be in the library of every up-to-date stockman and farmer.

## CARLOAD CATTLE DIVISION

### (FED AND GRASS CATTLE)

**Defining "Feeders" and "Grain-Fed":** RULE 60. In the following sections for carloads, the term "Feeder" is hereby defined to designate cattle which have not been fed concentrates prior to October 1st preceding the Show. Cattle that have been fed grain of any sort, cotton seed, oil cake, gluten meal, or any like concentrated food prior to October 1st preceding the Show, are hereby defined and classed "grain-fed," and such must be entered in the "grain-fed" classes. However, feeder cattle emanating from the southwestern country (Arizona, New Mexico, Oklahoma and those portions of Texas and Old Mexico from which cattle are permitted to be shipped to tick-free territory by the Bureau of Animal Industry, U. S. Department of Agriculture) may be fed cotton seed hulls and cotton seed cake on grass when remaining on their native pastures.

**Eligibility of Feeders:** RULE 61. Carlots of feeder cattle may originate anywhere but must have been bred by one individual, firm or company, in accordance with Rule 65.

**Eligibility of Grain-Fed:** RULE 62. Cattle competing as "grain-fed" in the following classes may have been fattened in any part of the world. No restrictions are placed on the places, feeds or methods of the feeder who finished the "grain-fed" cattle for the Exposition and the market.

**Ownership, etc.:** RULE 63. Affidavits will be required from exhibitors of "grain-fed" cattle in the carload classes, showing that at least twelve of the animals constituting a load were their property for three months prior to the date of entry, while the 30 days' ownership rule will apply on the balance.

**Program:** RULE 64. Carloads of cattle intended for competition in the carload classes must be in place not later than noon, Thursday, November 24th, and must be entered one week prior to the opening date of the Show. The judging will be done on Saturday, November 26th. The cattle will remain on exhibition until 6:00 P. M., Thursday, December 1st. All animals must be watered between 1:30 and 2 P. M. previous to day of sale; water should be shut off at 2 P. M. and troughs must remain drained until after the sale. There will be no stall or entry fee charged in this division.

**Note—Steers** entered in the Carlot Division cannot be shown in the individual classes.

### CARLOADS OF GRAIN-FED CATTLE

[See Rules 60-62-63]

RULE 65. Animals to compete in the grain-fed classes may have been bred or fed in any part of the world. However, they must have been fed by an individual or firm, as provided in Rule 7, and evidence to that effect will be required by the management.

Cattle in the "Grain-fed Section" must be in place not later than noon, Thursday, November 24th, and must be entered one week prior to the opening date of the Show. The judging will be done on Saturday, November 26th.

## JUNIOR LIVE STOCK FEEDING CONTEST

For the purpose of encouraging a practical interest among young people on farms in the feeding of cattle, sheep and swine, the Union Stock Yard & Transit Company of Chicago offers the following prizes on animals fed by boys and girls between the ages of 10 and 20 years inclusive on August 1, 1932.

All calves entered in the Junior Feeding Contest will be automatically entered by the International Management in their respective open classes. However, only prize-winning calves in this contest will be eligible to compete in the open classes. (This does not refer to the CARCASS CLASSES, in which entries must be made direct by the exhibitor.)

### CONDITIONS

(1) Exhibitors are limited to one entry in any one class in this contest except classes 10, 11, 12, 13, 14, 15 and 16, and must personally care for and exhibit animals entered without any aid or assistance.

(2) Animals will not be permitted to change ownership after April 1, 1932, in the case of calves; and June 1, 1932, in the case of lambs and barrows.

(3) A complete story of the operation, covering selection of animals, breeding, and a record of feed consumed (from April 1st, in case of calves; and June 1st, in the case of lambs and barrows) up to October 15th must be filed with the Secretary of the Exposition prior to the opening date of the show. No milk in any form shall be fed to these calves after they are ten months old nor can any calf entered in this contest be put on full feed prior to December 1, 1931.

(4) A statement from a bona fide extension agent or agricultural instructor that the animal entered was fed in accordance with the rules of this contest by the exhibitor, will be required to prove eligibility.

(5) Animals entered in this contest must be penned in the special section provided.

(6) The same rules concerning pen rent, feed charges and other matters not specifically mentioned above will obtain in this contest as in the open classes.

(7) All animals must be in place ready for exhibition at 9:00 A. M. on the opening date of show. No animal can be exhibited unless contestant has complied with all of the above requirements.

(8) Animals entered in this contest can also be entered in the carcass classes by fulfilling requirements and making separate entries.

(9) A special auction sale will be provided for calves entered in this contest on Friday afternoon at 2:00 P. M., December 2nd. There will be no charge for this auction and it is optional with the owners if they will sell through it.

(10) An experienced leader will be in charge of the exhibitors in this contest and will arrange their schedules so that they will be able to take part in the activities of the week to the fullest extent.

(11) Dormitory accommodations in the Stock Yard Inn Annex at the special rate of \$1.00 per night will be provided and all boys in this contest are expected to be quartered there unless excused by the leader in charge of the dormitory. Girl exhibitors must be chaperoned by their parents.

(12) The exhibitors in this contest will be tendered a dinner by the Union Stock Yard & Transit Company of Chicago on Saturday night, November 26th, at the Saddle and Sirloin Club.

### AMERICAN SHORTHORN ASSOCIATION SPECIALS

**THOS. E. WILSON SCHOLARSHIPS**

Exhibitors in the Junior Live Stock Feeding Contest of the International Live Stock Exposition are eligible to compete for three scholarships of Three Hundred Dollars (\$300.00) each, offered by Mr. Thomas E. Wilson.

**REGULATIONS**

1. The three (3) exhibitors in the Junior Live Stock Feeding Contest who have accomplished the best all-around achievements in their junior agricultural activities will be awarded the scholarships.

One-half of the money of the scholarship prizes will be paid at the time of matriculation and one-half at the middle of the first collegiate year upon receipt of a report of satisfactory progress by the winner from the State Leader or Supervisor. The scholarships shall be used within a year from the date of the award except where the winners may be regular attendants at school. In such case a scholarship may be used the year following or at the next session following the time the winner finishes his non-collegiate school work.

2. Each winner will also receive a solid gold medal which will be presented by Mr. Thomas E. Wilson.

3. Each exhibitor must submit a record on an official blank which will be supplied by Mr. B. H. Heide, General Manager, International Live Stock Exposition, immediately following receipt of exhibitor's entry of his live stock in the Junior Feeding Contest not later than November 1, 1932.

4. The exhibitor's record to be filled in on the official blank must be returned to Mr. B. H. Heide, General Manager, International Live Stock Exposition Union Stock Yards, Chicago, Illinois, not later than 5:00 p. m., November 15, 1932.

5. The records will be judged by a committee and the winners will be announced during the International Live Stock Exposition.

## BREEDING SHEEP DIVISION

### NOTE RULE 76 IN REGARD TO EAR TAGS.

**Rule 74.** Pen fees shall be 50 cents for each animal, no pen to cost less than \$3.00, except in the carload lots, where no pen fees are charged. **These fees must accompany the application for entry and will not be refunded if applicant fails to exhibit his animals.**

**Rule 75.** All sheep in pure-bred classes must be registered in flock books of their respective breeds and bear the ear tags of their association. The date for computing the ages of sheep is September 1.

**Rule 76.** The exhibitor of sheep must be the owner and all sheep must have the association ear tags before entering the ring and the association ear tag number must hereafter form a part of the entry.

**Rule 77.** Not more than three individual entries in the ram, nor more than four in the ewe classes will be accepted. Any breeding sheep brought in excess of this number will be placed in such pens as the Superintendent of the Sheep Department may designate.

**Rule 37.** Where there is no competition, the first prize, on merit, will be awarded. Where there is competition, all prizes may be awarded.

**Note:—See Rule 36 regarding eligibility in champion classes.**

### IMPORTANT

Signs and placards used in connection with exhibits are not to exceed 22"x28" in size.

### 1931 "REVIEW AND ALBUM"

Copies of the 1931 "Review and Album" are still available and can be secured by sending \$1.00 to the International Office. These books contain every award at the 1931 Show, pictures of the champions, judges, list of exhibitors, department reviews, etc. One of these attractive cloth-bound books should be in the library of every up-to-date stockman.

**AMERICAN HAMPSHIRE SHEEP ASSOCIATION SPECIALS**

All animals showing for these specials must be registered in the record of the above association, carry the ear tags of said association at the time of showing and be bred and owned by the exhibitor, who must be a member of this association in good standing. All awards must be certified to by Superintendent of Sheep Department, in each case giving the numbers of the winning animals as shown by labels in their ears. No prizes shall be awarded to inferior animals, regardless of competition or lack of it. Only two prizes in a single class and one prize in a group will be paid any one exhibitor. No sheep artificially colored will be paid any association prize money.

**SHEPHERDS' PRIZES**

Offered by American Hampshire Sheep Association for three best-fitted and trimmed ewe lambs or three best-fitted and trimmed ram lambs, shown at 1932 International. Sheep shown to be bred and owned by the contesting shepherd or his employer. Only one shepherd from any one farm or flock to compete for these prizes. 1st, gold medal; 2nd, silver medal; 3rd, bronze medal.

## GRADES AND CROSS-BREDS

**Defining Grades, Etc.** Rule 78. The term "grade" is hereby defined to mean an animal having but a portion of pure blood, as for example: the get of a pure-bred ram from other than a pure-bred ewe. A "cross-bred" is defined as an animal whose sire and dam are of pure blood but of different breeds. No unregistered pure-bred wether will be allowed to enter in these classes.

Breeding must be furnished with entry.

# WOOL SHOW

1. **Purpose**—The objects of this exhibit are: First, to encourage the production of better wool; second, to stimulate interest in the proper preparation of wool for market; third, to ascertain the commercial grading of the fleeces of the various breeds; and fourth, to select the best fleeces entered in each class.

2. **Eligibility of Contestants**—Any grower of wool may enter fleeces, but they must be entered in the name of the grower who grew them.

3. **Entry Fees**—No entry fees will be charged, but all fleeces competing will become the property of the International Live Stock Exposition and proceeds of the sale of such fleeces will be used to pay the premiums. Exhibitors may repurchase their fleeces for \$2.00 each but notice of their desire to do so must be given to the management prior to the closing of the show.

4. **Number of Entries**—Exhibitors are limited to two entries in any class, but entries may be made in as many classes as desired.

5. **Eligibility of Fleeces**—In order to compete for prizes, each fleece must:

(a) Have been shorn in 1932.

(b) Represent not more than 12 months' growth, except that in the case of yearling fleeces, 16 months' growth will be allowed.

6. **Qualifications**—Any fleece entered in competition at the Wool Show shall be discriminated against if:

(a) Tied with other than paper twine.

(b) Showing any paint or tar brands (soluble branding fluids permissible).

(c) Showing excessive dung locks or tags.

(d) Discolored by excessive moisture.

(e) Cotted.

(f) Showing a weak staple, or break in fiber.

(g) Containing any excess of burrs or other vegetable matter.

7. **Preparation of Fleeces**—The fleeces shall be tied with paper fleece twine, flesh side out, in a manner to allow their being handled without falling apart.

8. **Entries close November 10, 1932.**

9. Fleeces must be delivered to the Superintendent of the Wool Show or or before November 25, 1932.

# SWINE DEPARTMENT

## BREEDING SWINE DIVISION

**Rule 79.** The ages of swine are classified as follows: Aged animals must have been farrowed before Sept. 1, 1930. Senior Yearlings, on or after Sept. 1, 1930 and before March 1, 1931. Junior Yearlings, on or after March 1, 1931 and before Sept. 1, 1931. Senior Pigs, on or after Sept 1, 1931 and before March 1, 1932. Junior Pigs, on or after March 1, 1932.

Aged Herds must consist of boar and three sows farrowed before Sept. 1, 1931.

Young Herd must consist of boar and three sows farrowed on or after Sept. 1, 1931.

Senior Champion Boar or Sow must have been farrowed before Sept. 1, 1931.

Junior Champion Boar or Sow must have been farrowed on or after Sept. 1, 1931.

**Rule 80.** Pen fees shall be 50 cents for each animal, no pen to cost less than \$3.00, except in carload lots, where no fees are charged. **These fees must accompany the application for entry, and will not be refunded if applicant fails to exhibit his animals.**

**Rule 81.** Exhibitors will not be allowed to make more than three entries in any class, and no animals will be given pen room unless properly entered.

**Rule 82.** Evidence satisfactory to the management must be submitted that boars 2 years old or over have sired live pigs within one year immediately preceding September 1, 1932, and that sows 2 years old or over have produced pigs during this period.

**Rule 83.** Boars over 1 year must have their tusks removed before showing.

**Rule 84.** Animals entered for competition in the single classes may also be shown in the pen exhibits, but only as property of the original exhibitor.

**Rule 85.** All animals exhibited in the breeding classes must be registered in the books of their respective breeds and exhibitor must be able to produce certificate of registration if required to do so. Information in regard to breeding must be furnished on entry card, while all entries in the pure-bred barrow classes must be accompanied with a certificate from the Record Associations representing the breed, showing the name and record number of sire and dam.

**Rule 86.** All barrows entered in the pen exhibits must **individually** weigh to weight requirements.

**Rule 87.** All swine exhibited at owners' risk. The Association will not be responsible for any accidents or diseases of any nature. As a safeguard against disease we would recommend that all breeding hogs to be shown at the Exposition be vaccinated.

**Rule 37.** Where there is no competition, the first prize, on merit, will be awarded. Where there is competition all prizes may be awarded.

**NOTE—See Rule 36 in regard to eligibility in individual Champion Classes.**

**PERCHERON RESERVE CHAMPION MARE—Ribbon****1932 PERCHERON FUTURITY CLASSES**

In the Percheron futurity classes, Nos. 25 and 32, an entrance fee of \$5.00 will be charged.

These two classes are for American-bred stallions and fillies foaled in 1931.

The \$420 offered on these yearlings shown in the futurity is made up in the following manner: \$200 is contributed by the International Live Stock Exposition; to this amount is added the entry fees from contestants; the balance of nearly \$200 is made up by the Percheron Society of America.

For full particulars, write Ellis McFarland, Secretary, Percheron Society of America, Union Stock Yards, Chicago.

**1932 BELGIAN FUTURITY CLASSES**

The American Association of Importers and Breeders of Belgian Draft Horses and the "International" have established permanent Futurity classes for American-bred yearling stallions and mares of this breed. The International Live Stock Exposition offers \$200 and the above mentioned association a similar amount in connection with this contest, which money, together with that received from contestants in entry fees, will be divided into ten premiums for yearling stallions and ten for yearling mares as follows: 1st prize, 25%; 2nd, 20%; 3rd, 15%; 4th, 10%; 5th, 8%; 6th, 7%; 7th, 6%; 8th, 4%; 9th, 3%; 10th, 2%. Contestants must be members of the above mentioned association and competing animals must be recorded in its register.

An entry fee of \$5.00 will be charged for each animal entered. For further particulars, apply to J. D. Conner, Jr., Secretary, American Association of Importers and Breeders of Belgian Draft Horses, Wabash, Ind.

**KING ALBERT CUP**

The Société Royale le Cheval de Trait Belge of Brussels, Belgium, offers a silver trophy to be awarded at the 1932 International Live Stock Exposition. This trophy will be known as the "King Albert Cup" by special permission from His Royal Highness, King Albert of Belgium.

The conditions governing this award are as follows: To the best Belgian stallion or mare of the Show, registered in the American Stud-Book, or in the Belgian Stud-Book. Any animal which has won either the King Albert Cup or the Chevalier Hynderick Cup offered by said Société is automatically debarred from again competing for said cups. However, a breeder who has won the Yser Cup or the Belgian Breeders' Cup offered by said Société is not prevented from competing for the Chevalier Hynderick Cup or the King Albert Cup.

To encourage owners of drafters in trade centers to use better horses and exhibit them in better form than has hitherto been their custom, and to give the farmer-breeder an experience in growing, fitting and feeding without competing with the so-called professional exhibitors for show ring honors, the "International" has established the following classification for non-professional exhibitors. Stock Yard Companies and Packers not eligible for entry.

# COLLEGIATE LIVE STOCK JUDGING CONTEST

Recognizing the importance of interesting young men in the study and improvement of the various breeds of domestic animals, the management of the International Live Stock Exposition will make the stock judging contest an important feature of their program. The Union Stock Yard and Transit Company will award a beautiful trophy to the Agricultural College whose five students do the most efficient work in judging the classes of horses, cattle, hogs and sheep assigned for the purpose, the students to give reasons substantiating their judgment. This trophy must be won three times before becoming the permanent property of any one institution. The college having the winning team is given temporary possession of the trophy during the following year.

In addition to the above the following ribbons will be furnished: Ribbon to each member of winning team; one to ranking man in Cattle, Horses, Sheep and Swine, respectively; championship ribbon to high man (all classes); and graded ribbons to next four in rank, all classes.

## NATIONAL BLOCK AND BRIDLE CLUB SPECIALS

This national honorary students' organization, in order to instill more interest in the contest, offers the following special prizes:

To team making highest rank in the judging of all classes.....Silver Trophy  
(Permanent property of school winning it.)

To the high man of the contest, gold medal; to the second ranking man, silver medal; and to the third in rank, a bronze medal.

## "SUCCESSFUL FARMING" SPECIALS

The above publication offers rosewood canes to the ranking men in the judging of horses, cattle, sheep and swine, respectively.

## "COUNTRY GENTLEMAN" SPECIAL

This publication offers a Gladstone Bag to the highest ranking individual in this contest.

## PERCHERON SOCIETY OF AMERICA TROPHY

The Percheron Society of America will award a handsome silver trophy to the team taking highest rank judging Percherons. Said trophy shall become the permanent property of any institution only after its team shall have won it three different times.

## AMERICAN BERKSHIRE ASSOCIATION TROPHY

The American Berkshire Association, C. W. Mitchell, Secretary, Springfield, Illinois, offers a handsome silver trophy to the team taking highest rank in judging Berkshire breeding animals, should such a class be included in the contest. This trophy must be won three times before becoming the permanent property of any one institution.

## (1) RULES GOVERNING ELIGIBILITY OF CONTESTANTS

1. Any farmer's son under twenty-five years of age, who has never attended an agricultural or veterinary college or agricultural or veterinary school may enter.

2. Any agricultural college undergraduate student representing his institution who has never taken part in any meat stock or heavy horse judging contest of interstate or international character previous to the year in which the contest is held, may enter, provided he is in attendance as a regularly enrolled student in the institution he represents, has taken one year's work in that institution, has not been away from the institution more than two years at a time after first entering said institution and who has at no time served in the capacity of animal husbandry instructor in any agricultural college.

3. No college shall be represented by more than five men, which number shall constitute a team.

4. Each institution shall file with the Superintendent of the Students' Judging Contest at the time its students are entered an authoritative statement covering the eligibility of each of its representatives.

## (2) SUPERINTENDENT

1. It shall be the duty of the Superintendent to see that all rules and regulations governing the contest are duly carried out. He shall see that the contest is conducted with fairness and justice to all concerned.
2. The Superintendent shall have a chief clerk and helpers to assist him in superintending the students while working on the different classes of stock and to aid him in such other capacities as he may require.
3. He shall direct the contestants which class to judge, time to commence work, and time to stop.
4. He shall say nothing to a contestant concerning the method to follow, either in judging the class, forming reasons, or giving reasons before the committee.
5. The Superintendent shall have nothing to do with placing the animals in the various classes, nor with the grading of the placing, or the reasons.
6. He shall have charge of all the grades given for both placing and reasons, and it shall be his duty to have these tabulated and totaled, and he shall deliver the result of the contest to the Secretary of the International Live Stock Exposition, who shall publish the result.

## (3) CLERKS, ASSISTANTS AND ATTENDANTS

The clerks, assistants and attendants shall be at the command of the Superintendent and shall carry out his orders, and none of these assistants shall confer with the contestants, unless directed to do so by the Superintendent.

The attendants showing the live stock shall hold the animals in a careful manner, so that all contestants may have a fair chance to make observations on the same.

## (4) JUDGES

1. Two judges shall be provided for each class of stock. (It is preferable that the judges be men with animal husbandry training, and engaged in live stock work.) The judges on the respective classes of live stock shall be designated as Judge A and Judge B. Judge A shall pass upon the placing of two rings of stock and shall decide upon which of these two rings he will require reasons to be given. Judge B shall pass upon and grade the placings and reasons given on the third ring of stock.
2. It shall be the duty of each judge to look over and approve his respective ring or rings of stock before the animals have entered the arena. It shall be his further duty after they have entered the arena to decide as to the order in which they shall be placed, and to decide on the essential reasons for placing the first above the second, the second above the third, and the third above the fourth. The judge shall keep the rating of the animals secret until after the contestants have been before him.
3. The judge shall also take charge of the ring of animals while the contestants are at work and shall see that the animals are shown satisfactorily.
4. When the contestant appears before the judge the clerk shall present the contestant's card bearing his rating of the animals, but not his grade, and the judge shall make a note of the same and grade it as his judgment dictates, and record his grade for placing on a card bearing the contestant's number. Fifty points shall constitute a perfect mark for placing. The contestant shall have two minutes in which to give his reasons for placing the animals. It shall be the duty of the judge to hear those reasons, to grade the same, and record his grade for reasons on the cards mentioned above. Fifty points shall constitute a perfect mark for reasons.

## (5) CONTESTANTS

1. All prospective contestants must send in their entries to B. H. Heide, Secretary of International Exposition, by November 15, 1932.
2. Regular entry forms will be mailed all prospective contestants who request the same before November 15, 1932.
3. An entry fee of \$5.00 will be charged each contestant, which sum must be forwarded with the application. The money received from this source is to be used in defraying the expenses of the examiners.
4. Each college will be restricted to entering five (5) men, which number shall constitute a team.
5. Each contestant shall report to the Superintendent in the Amphitheater

at 7:30 A. M., Saturday, November 26, 1932, when he will be assigned a number and such instructions as the Superintendent desires to give.

6. No contestant will be permitted to inspect the live stock at the International Live Stock Exposition prior to the contest. Any transgression of this rule will be sufficient cause to bar a student from the contest.

7. No contestant shall wear any uniform, college colors, college hat, nor shall he in any way signify to the judges his identity or the identity of the college which he represents.

8. While the contest is in progress, there shall be no conferring between contestants or between a contestant and anyone else, except as directed by the Superintendent or his representative. Any violation of this rule will be punished by the expulsion of the offender.

9. The contestants shall be divided by the Superintendent into four groups: A, B, C, D, and shall be so designated thereafter throughout the contest.

10. When the four rings of stock are brought in, Group A contestants shall be assigned to one, B to the second, C to a third, and D to a fourth. All groups shall be notified three minutes before time is up. When final time is called Group A shall move to the second ring, B to the third, C to the fourth, and D to the first ring, and shall continue to rotate in this way until each group has passed on every ring of live stock.

11. The contestant shall hand his card, bearing his number, the descriptive name given the class of animals, and his placing, to the Supervising Clerk immediately after he finishes with each class.

12. Each student shall be required to give reasons on two of the three rings of stock he has examined in each class.

The contestants will be informed which two of the three rings of live stock of each class reasons will be required upon as soon as that point is decided.

13. When the contestants have passed upon all of the rings of stock they shall be taken to convenient quarters where each contestant shall be called before each committee of judges to give reasons for placing each ring. The contestants will be required to give reasons on one ring only at each hearing before the respective committee. The contestants shall be called before the committees to give reasons in the same order that they followed in placing the rings of stock in the arena.

### (6) TIME

1. In each of the classes eighteen minutes shall be allowed the contestant to make his observations, record his placing, and write such memoranda as he may desire.

Each squad shall observe the rings of stock at a distance of ten feet during the first three minutes. At the end of three minutes close inspection will be allowed.

Each group of contestants examining sheep shall be divided into two squads at the end of the first three minutes. Squad I shall remain in position ten feet from the sheep for six minutes while Squad II makes close inspection; and Squad II shall stand in order ten feet from the sheep for six minutes while Squad I makes close inspection. During the last three minutes the entire group will be allowed to make close inspection of the sheep except in the case of breeding classes, when all contestants will be required to remain ten feet from the sheep for the last three minutes.

Contestants must remain outside the inner ring or rope surrounding the hogs that are judged and will not be permitted to handle the hogs at all.

No contestant shall hold any paper, card or device that will assist him while he is giving his reasons before the judges, except that he will be handed the card he turned in, which he will be allowed to retain while giving his reasons.

Each contestant shall appear singly before the judges and will be allowed two minutes to give reasons for his placing of each ring of animals. The contestant shall write his placing on a card and hand it to the clerk, as soon as he has finished the work of placing the class.

### FORM OF CARD

Contestant's number .....  
 Class .....  
 Placing: 1st.....; 2nd.....; 3rd.....; 4th.....  
 Card shall be four inches by two and one-half inches.

**(7) THE RINGS OF LIVE STOCK—HOW SELECTED**

The representatives of the institutions having full teams of students in the contest shall divide themselves into committees at a meeting to be held in the Amphitheater on the morning of the contest at 7:30 A. M., and immediately report their committee lists to the Superintendent. It shall be the duties of these committees to select and get out the rings of stock to be used in said Students' Judging Contest. It shall be their further duty to specify the description of the ring that shall be given to the students.

The representative of each institution having a team entered shall inform these committees what stock on the Exposition grounds his team of students have worked upon.

**(8) CLASSES OF LIVE STOCK AND METHODS OF NUMBERING**

1. Four animals shall constitute a ring.
2. The horses, cattle and sheep shall be identified by either placing a card on the animal or on the arm of the attendant holding same. These cards shall be numbered 1, 2, 3, 4.
3. All newspaper men, officials and others, except the Superintendent, his assistants, the judges, policemen and holders of stock, shall be excluded from the ring while the contest is in progress.

The program to be followed will be given to the students by the Superintendent in charge on the morning of November 26, 1932.

The contest will begin at 7:30 A. M.

# NON-COLLEGIATE LIVE STOCK JUDGING CONTEST

The Union Stock Yard & Transit Company, desiring to stimulate interest among the young people of this country in live stock production, offers a beautiful silver trophy to the team making the highest score in the judging of the live stock offered for adjudication.

THE CHICAGO ASSOCIATION OF COMMERCE OFFERS \$500 FOR THREE AGRICULTURAL COLLEGE SCHOLARSHIPS TO BE AWARDED TO THE THREE CONTESTANTS MAKING THE HIGHEST SCORE IN THE JUDGING OF ALL CLASSES. (See rules at end of section.)

## "COUNTRY GENTLEMAN" SPECIAL

This publication offers an Eastman Kodak to the highest ranking individual in the Non-Collegiate Live Stock Judging Contest.

### (1) Rules Governing Eligibility of Contestants

1. Participation in this contest shall be limited to one team, consisting of three individuals, from each state, the members of which shall represent the same agricultural high school, vocational high school, rural consolidated school, or boys' and girls' club regularly organized in cooperation with the agricultural extension department of the State Agricultural College. This team shall be determined by a state judging contest held at the state fair or the state agricultural college. The dean, or head of agriculture of the state agricultural college shall certify the eligibility of the successful team in the state judging contest to the Secretary and Manager of the International Live Stock Exposition not later than November 15, 1932.

2. Any boy or girl may be a member of a team who has not reached his or her twenty-first birthday on August 1, 1932, who has been in attendance or a regularly enrolled student in the school or club he or she represents for at least five months, who has never been regularly classified in a state agricultural school or any college (this restriction to in no way apply to those who have attended a short course of two weeks or less), and who has never taken part in a meat stock or horse judging contest of an international character prior to the year 1932.

### (2) Superintendent

1. The Superintendent will see that all rules and regulations governing the contest are duly carried out and that the contest is conducted with fairness and justice to all concerned.

2. He will have a chief clerk and helpers to assist him in superintending the contestants while working on the different classes of stock and to aid him in such other capacities as he may require.

3. He shall direct the contestants which class to judge, time to commence work, and time to stop, but will not indicate the method to follow, either in judging the class, forming reasons, or giving reasons before the committee.

4. The Superintendent shall have nothing to do with placing the animals in the various classes, nor with the grading of the placing, or the reasons.

5. He shall have charge of all the grades given for both placing and reasons, and it shall be his duty to have these tabulated and totaled, and he shall deliver the result of the contest to the Secretary of the International Live Stock Exposition, who shall publish the result.

### (3) Clerks, Assistants and Attendants

The clerks, assistants and attendants shall be at the command of the Superintendent and shall carry out his orders, and none of these assistants shall confer with the contestants, unless directed to do so by the Superintendent.

The attendants showing the live stock shall hold the animals in a careful manner, so that all contestants may have a fair chance to make observations on the same.

### (4) Judges

1. Each judging committee shall consist of two experienced judges and an effort will be made to secure one animal husbandry instructor and one breeder or feeder of the class of animals to be passed upon.

2. It shall be the duty of each committee of judges to look over the rings

of stock assigned to it and of each judge to decide as to the order in which the ring shall be placed, and to decide on the essential reasons for placing the first above the second, the second above the third, and the third above the fourth. The judges shall keep their ratings of the animals secret until after the contestants have been before the committee.

3. When the contestant appears before the committee, the clerk shall present the contestant's card bearing his rating of the animals, and each judge shall make a note of the same and grade it as his judgment dictates and record his grade for placing on a card bearing the contestant's number. Fifty points shall constitute a perfect mark for placing. The contestant shall have two minutes in which to give his reasons for placing each ring of animals. It shall be the duty of the committee to hear those reasons, to independently grade the same and to record their grade for reasons on the cards mentioned above. Fifty points shall constitute a perfect mark for reasons.

4. As soon as the judges have recorded their grades, the clerk shall collect the three cards. The three grades on placing shall be averaged, and the averages shall stand as the contestant's grade for placing that class.

5. The grade for reasons shall be arrived at in the same manner.

### (5) Contestants

1. Entries for all contestants must be sent to B. H. Heide, Secretary, International Live Stock Exposition, Union Stock Yards, Chicago, by November 15, 1932.

2. An entry fee of \$3.00 will be charged each contestant, which sum must be forwarded with the application. The money received from this source is to be used in defraying the expenses of the examiners.

3. Each contestant shall report to the Superintendent at the Amphitheater at 8:00 A. M., Friday, November 25, 1932, when he will be assigned a number and such instructions as the Superintendent desires to give.

4. No contestant will be permitted to inspect the live stock at the International Live Stock Exposition prior to the contest. Any transgression of this rule will be sufficient cause to bar a student from the contest.

5. No contestant shall wear any uniform, high school or club colors, nor shall he in any way signify to the judges his identity or the identity of the high school or club which he represents.

6. While the contest is in progress, there shall be no conferring between contestants or between a contestant and anyone else, except as directed by the Superintendent or his representative. Any violation of this rule will be punished by the expulsion of the offender.

7. The contestants shall be divided by the Superintendent into four groups: A, B, C and D, and shall be so designated thereafter throughout the contest. In no group shall there be more than one contestant from any one state.

8. When the four classes of stock are brought in, Group A contestants shall be assigned to one class, B to a second, C to a third and D to a fourth class. All groups shall be notified three minutes before time is up. When final time is called, Group A shall move to the second class, B to the third, C to the fourth, and D to the first class, and shall continue to rotate in this way until each group has passed on every class of live stock.

9. The contestant shall hand his card, bearing his number, the descriptive name given the class of animals, and his placing, to the Supervising Clerk immediately after he finishes with each class.

10. Each student shall be required to give reasons on one of the two rings of stock he has examined in each class.

The contestants will be informed which one of the two rings of live stock of each class reasons will be required upon as soon as that point is decided.

11. When the contestants have passed upon all of the rings of stock they shall be taken to convenient quarters where each contestant shall be called before each committee of judges to give reasons for placing each ring. The contestants will be required to give reasons on one ring only at each hearing before the respective committees. The contestants shall be called before the committees to give reasons in the same order that they followed in placing the rings of stock in the arena.

**(6) Time**

1. In each of the classes fifteen minutes shall be allowed the contestant to make his observations, record his placing, and write such memoranda as he may desire. No contestant shall hold any paper, card or device that will assist him while he is giving his reasons before the judges, except that he will be handed the card he turned in, which he will be allowed to retain while giving his reasons.

Contestants shall appear singly before the judges and will be allowed two minutes to give reasons for his placing of each ring of animals. The contestant shall write his placing on a card and hand it to the clerk, as soon as he has finished the work of placing the class.

**FORM OF CARD**

Contestant's number .....

Class .....

Placing: 1st.....; 2nd.....; 3rd.....; 4th.....

Card shall be four inches by two and one-half inches.

**(7) CLASSES OF LIVE STOCK AND METHODS OF NUMBERING**

1. Four animals shall constitute a class and the selection of live stock will be made by competent disinterested judges.

2. The horses, cattle and sheep shall be identified by either placing a card on the animal or on the arm of the attendant holding same. These cards shall be numbered 1, 2, 3, 4.

The pigs shall be numbered by sticking large gummed labels bearing number on the rump.

3. All newspaper men, officials and others, except the Superintendent, his assistants, the judges, policemen and holders of stock, shall be excluded from the ring while the contest is in progress.

4. The program to be followed will be given to the students by the Superintendent in charge on the morning of November 25, 1932.

5. Full instructions will be given the students in the arena on the morning of the above date.

The following program shall be followed, beginning Friday, November 25, 1932.

8:00 A. M.—Superintendent gives instructions to students.

9:00 A. M.—First ring: Horses, cattle, sheep and swine.

10:00 A. M.—Second ring: Horses, cattle, sheep and swine.

11:00 A. M.—Third ring: Horses, cattle, sheep and swine.

After luncheon the students will give reasons before the judging committees.

**CHICAGO ASSOCIATION OF COMMERCE SCHOLARSHIPS**

The Chicago Association of Commerce offers \$500 for three scholarships. The following conditions govern:

1. The contestant making the highest rating in the judging of all classes of live stock in this contest is to receive \$250; the 2nd, \$150; and the 3rd, \$100. This money to be available only for a scientific training in agriculture or animal husbandry; and then only in ten monthly installments upon certification from the dean of a recognized agricultural college after the contestant matriculates.

It is understood that should the contestant for any reason discontinue his course before the entire sum is paid him, he relinquishes any claims upon the unpaid balance.

2. In event any one of the three highest-rating contestants should not care to draw the money to aid him in the securing of an Agricultural College training, it will then go to the next highest ranking one who desires such a training, but would otherwise not be able to secure it.

3. Each winner of these scholarships is requested to set forth in a letter to the "International" Management at the close of the term how this generous donation to agricultural education made by the Chicago Association of Commerce helped or benefited him.

## INTERCOLLEGIATE MEAT JUDGING CONTEST

The Intercollegiate Meat Judging Contest, inaugurated in 1926, will again be a feature of the International Live Stock Exposition. The contest will be held on Tuesday, November 29th, in the wholesale market of one of the packers. R. C. Pollock, Secretary of the National Live Stock and Meat Board, will again serve as superintendent.

The contest is open to all agricultural colleges. A team shall consist of three students. No college shall be represented by more than one team.

A contestant must be an undergraduate student who never has competed previously in a meat judging contest. It is required that he be a regular student in the institution he represents, that he has had at least one year's work at that institution, and has not been away from the institution more than one year at a time after entering; also that he has at no time served as animal husbandry instructor in any agricultural college.

Teams will judge nine classes of meat as follows:

- Two classes of beef carcasses.
- Two classes of wholesale beef cuts.
- One class of pork carcasses.
- Two classes of wholesale pork cuts.
- Two classes of sheep carcasses.
- Each class will contain four exhibits.

The individual contestants will be divided into nine groups with no regard to the teams they represent. Each group will be assigned to a class and will pass to another class at the end of each fifteen minutes. When all classes have been judged time will be allowed for the writing of placings and reasons.

The rating of individual contestants and teams will be in the hands of a committee of three judges. Selection of the meat for the different classes to be judged also will be in the hands of the judging committee.

The awards will consist of a trophy, emblems and ribbons. The National Live Stock and Meat Board trophy—a silver cup appropriately engraved—will

be awarded to the team making the highest score in the contest. The trophy will be held by the team winning it only until the next contest, unless the team is able to win it again. To retain it permanently a team must win it three times.

Appropriate emblems will be awarded as the permanent property of individuals placing first in the judging of the three major classes—beef, pork, and lamb and mutton—and also to the highest ranking individual in the contest.

Ribbons will go to each of the highest four individuals of the contest following the high man.

## RULES AND REGULATIONS

1. **Regions.** In order to equalize competition, the United States and Canada have been divided into eight regions as shown on the accompanying map. In classes where regions are specified, samples must be entered in the region where they were grown and no exhibitor will be permitted to enter samples in more than one region. Entries from foreign countries will compete in the region having the most comparable conditions.
2. **Number of Entries.** An exhibitor may enter not to exceed one sample in each of five classes.
3. **Eligibility.** Samples must have been grown and selected by the exhibitor in the year 1932. Only one sample from the same farm or family will be eligible for entry or competition in any given class except in the junior corn contest. It is the purpose to make the competition equal to all exhibitors by limiting the entries in any given class to only one from a complete farming unit rather than to allow several entries in the same class from what to all intents and purposes is the same exhibitor, whether owners, partners, owner and renter or share-cropper in the operation of the farm. Where a family owns several farms, its members are not entitled to additional entries in the same class unless the farming operations are distinctly separate businesses carried on by the exhibitors. Where there is a doubt as to the eligibility, write to the superintendent of entries for an official ruling under the circumstances of your specific case. Where doubt exists in regard to samples being entered according to rules and regulations, exhibitors may be required to verify entries by oath or affidavit. Where two samples from the same farm or family are found to have competed in the same class when only one was eligible, both will be disqualified.
4. **Entry Fee.** No entry fee will be charged in any class.
5. **Making Entry.** All applications for entry must be made in writing and must be in the hands of the superintendent of entries not later than November 10th, 1932. Entry blanks will be furnished upon request.
6. **Shipping Samples.** Samples, when shipped, must have all transportation charges prepaid and must reach the Exposition grounds not later than Monday, November 21st, 1932. Samples may be delivered in person up to 6 o'clock Thursday night, November 24th, 1932, and where an exhibitor delivers not to exceed five samples they will be accepted up to 12 o'clock Friday noon, November 25th, 1932. All entries must have been made in accordance with Rule 5. Shipments by freight will only be accepted when delivered to the Exposition grounds.
7. **Handling.** Samples will be accepted only at the official receiving office where they may be placed in containers by exhibitors ready for exhibition. After samples have been accepted, only their official state or provincial representatives, the Show management and judges will be permitted access to them. Changing or modifying samples after they have been accepted will not be permitted. The exhibition space will be closed to all but the proper officials until the Show is open on Saturday morning, November 26th, 1932.
8. **Return of Samples.** Samples will be returned by collect express if requested at time of making entry, but the management will not be responsible should loss occur.
9. **Size of Samples.** All samples of corn must consist of ten ears each; kafir and milo, ten heads each; wheat, oats, flax, barley, rye, soybeans, cow peas, field peas and field beans, one peck each; red clover, alsike clover, sweet clover,

alfalfa, timothy, and lespedeza seed, four quarts each; and hay, one bale weighing not less than 50 pounds.

10. **Undesirable Samples.** Any samples which are clipped, scoured, bleached, oiled, etc., so as to be objectionable for seed purposes will be disqualified at the discretion of the judges. **The management reserves the right to determine the germination of any doubtful sample for the guidance of the judges.**

11. **Awards.** The judges will award premiums in accordance with the merit of the entries. Samples of decidedly inferior merit will not be awarded premiums.

12. **Judging.** Judging will begin Saturday, November 26th, 1932, and will be completed as quickly as possible so as to give visitors the greatest opportunity to inspect the show and study the awards.

13. **Release of Samples.** Exhibits will be held at the show room until 10:00 p. m., Saturday, December 3rd, 1932.

14. **Liability.** The management will take all due precautions in the handling and protection of samples but will not be responsible for any errors, omissions, damage or losses which may occur.

**The management reserves the right to interpret these rules and regulations and to make such other rules as are found necessary.**

### SUGGESTIONS TO EXHIBITORS

All samples should be shipped in good, strong containers.

Wrap each ear of corn separately and pack in a strong, tight box. Protect butts and tips well to prevent shelling.

In each corn sample the ears should be numbered from one to ten in the order in which the owner wishes them arranged on the trays at the Show.

Do not ship corn samples in sacks or baskets. The ears may be injured by shelling, mice or in some other way. It is best to ship corn samples in a strong box.

Samples of small grain and seeds should be placed in double sacks for shipment. Single sacks are easily torn and the grain lost through leakage.

Hay exhibits should be wrapped with burlap and placed in a box or crate. Do not place excelsior in contact with hay.

Good, strong shipping tags should be used on all shipments, plainly addressed to the International Live Stock Exposition (Grain and Hay Show Dept.), Union Stock Yards, Chicago, and showing region and contents. Shipping and entry tags will be supplied upon receipt of application for entry.

**THE NAME AND POSTAL ADDRESS OF THE SENDER MUST BE ON THE OUTSIDE AND INSIDE OF EACH PACKAGE.**

## WORLD'S GRAIN SHOW

The World's Grain Exhibition and Conference is announced to be held at Regina, Saskatchewan, Canada, from July 25th to August 6th, 1933.

### REGIONAL MAP

Note—Region 1 has been extended to include all of New York State north of Sullivan, Ulster, and Dutchess counties.

Because of climatic and soil differences which are reflected in the grain and forage crops, the United States and Canada have been divided by the agronomists of the agricultural colleges into regions of approximately similar crops to conserve the interests of the exhibitors.

### VARIETY NAMES OF SMALL GRAINS

Varieties of early oats **must** be named. Exhibitors of other small grains are urged to give the variety name, where possible, for the guidance of the judges and the benefit of visitors.

### PERMANENT RIBBONS

The winner of each cash premium will also be awarded a suitable ribbon which may be kept as a permanent symbol of success.

### MONTANA SPECIALS

Under legislative appropriation the Montana Department of Agriculture, Labor and Industry will pay bonuses to Montana winners of championships and first awards at the International Grain and Hay Show in Chicago, November 26 to December 3, 1932.

As an inducement to the Montana grower of seeds and hay to prepare his high class product for competition with entries from other states and countries, cash awards will be paid by the Department of Agriculture, Labor and Industry, in addition to the premiums offered by the International Livestock Exposition, as follows:

**Championships:** To the Montana exhibitor winning the wheat championship, \$200; wheat reserve championship, \$100; oats championship, \$100; barley championship, \$100; alfalfa seed championship, \$100; hay championship, \$100.

**Total First Prizes:** To the two Montana farmers winning the largest numbers of first places among Montana exhibitors, a special trip, all expenses paid up to \$200 each, to the 1933 International Livestock Exposition.

**First Prizes:** To the Montana exhibitor winning first place on durum wheat, \$50; hard red winter wheat, \$50; soft red winter wheat, \$25; hard red spring wheat, \$50; white spring wheat, \$25; early oats, \$25; six-rowed barley, \$50; two-rowed barley, \$50; tre-bi barley, \$50; any other variety barley, \$50; junior corn, \$25; flax, \$50; rye, \$25; timothy seed, \$25; alfalfa seed, \$50; navy beans, \$25; Great Northern beans, \$25; field beans, any other variety, \$25; yellow or greenish yellow soy beans, \$25; any other variety soy beans, \$25; alfalfa hay, \$50; timothy hay, \$50; timothy and clover hay, \$50; mixed prairie and other hay, \$50.

Special bonus for first place will not be paid when same sample wins a championship. Championship special only will then be paid.

The right is reserved to change or modify these bonuses by public announcement thirty days previous to the opening of the exposition. The Montana Department of Agriculture reserves the right to retain a sufficient quantity of each sample of winning grain for showing in its display case.

### NORTH DAKOTA SPECIALS

The Greater North Dakota Association, Fargo, North Dakota, offers North Dakota growers exhibiting at the International in 1932 the following bonus prizes, in addition to the regular premiums offered by the Exposition:

\$100 to any North Dakota grower winning a championship on spring wheat, durum, flax, barley, oats, rye, flint corn, yellow dent corn, white dent corn, alfalfa seed, sweet clover seed, field peas, Great Northern beans, or bale of alfalfa hay.

\$50 to any North Dakota grower exhibiting the sample that wins first place in its class in any of the above listed lots. The class prize will not be paid if the entry wins the championship and is awarded the \$100 prize.

To the North Dakota grower making the best exhibit of seed grain in three classes, or of grains and grass seed, at the North Dakota State Seed Show, the Greater North Dakota Association will give a free round trip railroad ticket to the International at Chicago in 1932.

### CANADIAN SPECIALS

**Government of Ontario**—(a) \$50 to each Ontario exhibitor winning a first prize; (b) \$15 each to Ontario exhibitors winning highest awards on alfalfa seed, alsike seed, six-rowed barley, red clover seed, soy beans, navy field beans, A. O. V. field beans, large yellow field peas, small yellow field peas, A. O. C. field peas, early oats, late oats, providing such exhibitors did not win a first prize.

**Canadian Shredded Wheat Company**—\$25 to the Ontario exhibitor winning the highest award in the white winter wheat class. This is open only to the exhibitors of wheat in the counties of Essex, Kent, Lambton, Middlesex, Elgin, Oxford, Norfolk, Brant, Wentworth, Haldimand, Lincoln and Welland.

Other special awards will be announced later.

## CORN BORER QUARANTINE

Through the courtesy of Director Stuart E. Pierson and Superintendent Phil S. Haner of the Illinois Department of Agriculture, exhibitors from all states and provinces known to be infested with corn borers will be permitted to show ear corn at the International Grain and Hay Show this year under the following liberal conditions:

All corn samples from states now affected by the Quarantine Proclamation of the Governor of Illinois must be shipped or delivered to the Exposition in sealed packages so that there is no danger of the escape of any corn borer that might be contained therein; and these packages must not be opened or unsealed by anyone except a properly designated inspector from the Illinois Department of Agriculture. Should any borers be discovered, the particular package will be destroyed under the supervision of the above official.

Immediately after the close of the Show such corn will be returned to the point of original shipment at the owners' expense, or destroyed.

## APPROVED BY INTERNATIONAL ASSOCIATION

The following resolution was adopted by the International Crop Improvement Association:

"Whereas, the International Grain and Hay Show is a very effective agency in bringing the work of the various crop improvement agencies before the public and in promoting the cause of crop improvement, Be it resolved that the International Crop Improvement Association commend the International Live Stock Exposition for making possible the great crop exposition."

## OFFICIAL REPRESENTATIVES

Each state and province is invited to send an official representative to the Show to have charge of the unpacking, displaying and return of the samples from his state or province. This insures personal supervision by a competent man, usually from the agricultural college staff, whose sole aim is to have the samples in his charge receive the most favorable consideration they merit. The management will look after the samples if there is no official representative present.

## DISPLAY

Samples will be grouped by states in locked display cases. It will be to your advantage to make the exhibit from your state or province as creditable as possible, since many thousands of visitors from all parts of the continent and foreign countries will inspect this department of the Exposition during the week and much favorable publicity will result. The champion sample of each crop will be placed in a special championship case decorated in royal purple and gold and displayed with the ribbons and trophies won.

# 1931 "Review and Album" 1931

Copies of the 1931 "Review and Album" are still available and can be secured by sending \$1.00 to the International office. These books contain every award at the 1931 show, pictures of the champions, judges, list of exhibitors, department reviews, etc. One of these attractive cloth-bound books should be in the library of every up-to-date stockman and farmer.

## You are paying for fence ... why not have it?

It is not necessarily a fact that really successful farms owe their prosperity entirely to fence.

But—it is a fact—that prosperous farms are invariably fenced.

If the men and women occupying them enjoy more of the better things in life—more comforts—more conveniences—it is because, among other things, they have carefully guarded the earning power of their property—intensified it with balanced farming—and with the efficient control of live stock.

Because good fence is essential to their success, they have used it generously—paying for it with profits instead of losses.

One of our dealers is in your vicinity. His store is Fence Headquarters and he will render every assistance in helping you select the type of fence that you need. He also carries either the Orange Banner or Ideal U-Shape Steel Fence Posts—the best foundation for the best fence.
